JOIN THE MOVEMENT TO END LITTERING!

- **Stop littering:** Learn what litter is and take steps to prevent it.
- **If you see litter, pick it up:** Take a bag on your walk and put litter in its place. Every little bit helps.
- **Don't toss apple cores or other food waste on the ground.** This attracts animals to roadways, endangering motorists and wildlife.
- **Use reusable items whenever possible.**
- **Participate in a local cleanup.**
- **Spread the word!** If you see someone littering tell them why it is harmful to our beautiful state.
